L. S. Junior Attends Term At University

William G. Deck, son of Mr. and Mrs. Charles Leroy Deck, 20513 Toluca Ave., Torrance, is attending the summer session at the University of California, Santa Barbara from June 19 to July 28.

Deck is a junior from Redondo Union High School who is participating in the seaside campus's special program for high school students. He was awarded a scholarship to attend UCSB Summer Session.

A superior academic record in college preparatory courses has made him eligible to take a full program of lower division college courses this summer at the Santa Barbara campus. Courses which are completed with satisfactory grades may later be submitted for credit evaluation at the college of his choice.

Twelve \$100 scholarships and one \$125 scholarship have been granted to outstanding applicants. All of the 130 high school students are living in the Las Casitas Residence Halls under the supervision of resident assistants. Meals are served in the modern De la Guerra dining commons.

A stimulating program of cultural events as well as recreational activities is offered during the summer session. Students have access to a mile and one half of university-owned beach at the edge of the campus and an Olympic-sized swimming pool located on campus.

Residents Attend Company Opening

More than 10,000 persons attended official opening ceremonies for the Del Amo office of Glendale Federal Savings and Loan Association, it was announced by Charles T. Cederlof, manager.

The ceremonies were held recently at the newly-completed modern office building at 3832 Sepulveda Blvd., in Torrance, near the southwest corner of Hawthorne Ave. and Sepulveda.

Aiding Cederlof host the week-long celebration were J. E. Hoeft, founder and board chairman of Glendale Federal, and Charles Wellman, association president.

Among civic leaders who participated in official opening ceremonies for the new office were J. A. Beasley, Torrance City Councilman; Dr. Odus Rich, president of the Lomita Chamber of Commerce; Mrs. William "Bill" Suppe, vice-mayor of Manhattan Beach; and Mr. William N. Purmort, assistant vice president, Los Angeles office of the Federal Home Bank which regulates the savings and loan industry.

The new office features wide use of spacious glass and aluminum, a drive-in teller window and has 7,500 square feet of office space divided into separate departments for insured savings, home loans and escrow service.

The opening highlights included tours of the office, party favors and refreshments for everyone; six kiddie rides for children last Friday and Saturday; the chance to see the official model of the Los Angeles Dodgers' new baseball stadium; and the Newport Harbor High School art collection.
